## NOMINATION FORM

The "SHEmisbehaving Woman of the Year" Awards are based on the Laurel Thatcher Ulrich quote "well behaved women seldom make history" and honors a woman or women who have dared to make a difference, take a risk and enhance the lives of women in her community. This award is intended to recognize "regular" women who in the course of their daily lives exhibit heart, soul and "misbehaving". The judges will consider: the number and degree of women positively impacted, the degree of risk or courage exhibited and the sense of joie de vivre, feistiness or positive outrageousness possessed. When nominating someone, please ensure that both yourself and the nominee can attend the event and be prepared to introduce your friend and describe to the attendees why you feel she is a "misbehaving woman". This award combines a sense of lightness and fun with a very real and serious recognition of normal, everyday women doing extra-ordinary things.
